

## How to find Sanctuary

Please let us know how you will be arriving in Mission Beach and your expected time of arrival.

Please arrive at Sanctuary in daylight hours where possible, to enable you to get your bearings in the rainforest before it comes alive by night. You may arrive anytime after 10 am. Your room will be available by 2 pm, though earlier if possible.

Last orders for the restaurant are taken at 7.45 pm (please telephone ahead if you plan to arrive after dark and wish to dine in the restaurant.)

Last Check in is at 9.00 pm.

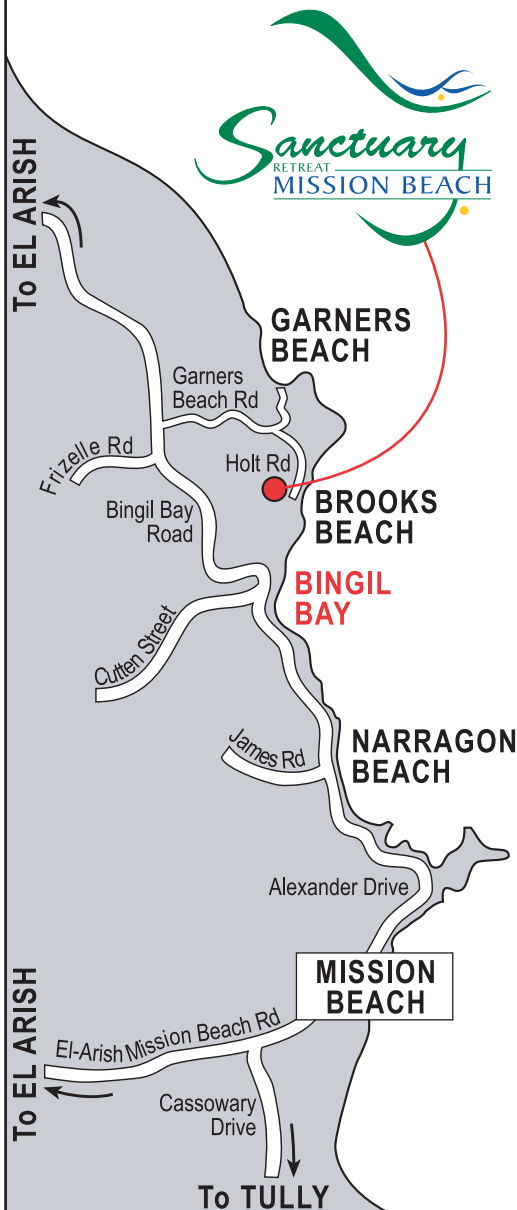

When you arrive in the carpark, you will notice a shelter with a telephone in it. Lift the handset and a 4WD vehicle will come down to transport you and your luggage to Reception.

On the other hand, if you just have light things, then the sign that says "Forest Walk" will lead you via a beautiful (but steep) rainforest walk to Reception. The distance is 600m and will take about 10 minutes but please don't attempt in the dark or if you have heavy luggage.

Many car rental agencies operate in both Cairns and Townsville. Sugarland Car Rentals also has a depot in Mission Beach for one way rentals Tel: (07) 4068 8272.
